For this red-and-white version of Military Band, use the yardages and patch counts listed at left. Also use the star, block and unit quantities listed here. Use the star, block, and patch dimensions listed on page 93 of *Red, White & Blue Star Quilts*. Also use the yardage and cutting lists for the backing, and binding fabrics in the book, as they are unchanged.

To make this version, use the recolored star, block, and unit diagrams on page 2 of this outline. Use the exploded diagrams on page 94 of the book to guide you in piecing them. To assemble the quilt and borders, use the whole quilt construction diagram on page 3 of this pattern.

*\*Rotary cut G, H, I, L, M, and N rectangles and borders with the long edges on the lengthwise grain of the fabric.*
